

FOR IMMEDIATE RELEASE

Selecting the Right HMI Vendor

June 22, 2009 -- Pro-face America, announces the release of an informative white paper, [Selecting the Right HMI Vendor](#), which offers important criteria to help companies choose the right HMI vendor for their needs. This white paper provides a step by step guide raising issues such as: identifying needs and wants, application flexibility, cost cutting, addressing internal operations, and the difference between an HMI vendor and a partner.

Customers can download this document from the Pro-face America support site NOW at <http://www.profaceamerica.com/chooseHMI>.

About Pro-face America
